Introduction

Expert in valve automation products in high quality, advanced customization and high precision.

01 Vtork Technology (Wuxi) is a Chinese leader in designing, manufacturing, and selling valve actuators for all industries. Wuxi factory mainly produce R&P and aluminum SY actuators, and other accessories, annual production capacity can achieve 300,000 unit actuators.

02 Vtork Changzhou mainly produce Electric actuator , contains on-off / modulating / multi-turn type.

The voltage contains 12/24 DC and 110/220-480 VAC. We offer customized either.

03 Vtork hangzhou produce heavy duty actuator, the max torque can reach 100,000NM. Customized size available

Products

PNEUMATIC ACTUATORS

Scotch Yoke Actuators

Linear Actuators

Rack and Pinion Actuators

ELECTRIC ACTUATORS

On/Off Electric Actuators

Modulating Electric Actuators

Intelligent Electric Actuators

ACTUATOR ACCESSORIES

Limit Switches

Positioners

Gearboxes

Solenoid Valves

Filter Regulators

Mounting Kits

Pneumatic Actuators

SCOTCH YOKE ACTUATORS

VTS Series:

Double acting: 170,000NM

Spring return: 100,000NM

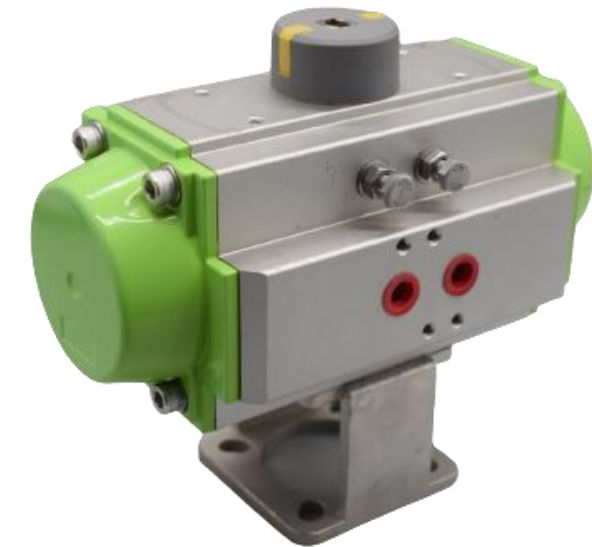

VTY Series:

VTY-100-2000

Double acting: 71NM-2,850NM

Spring return: 23.3NM-1,482.9NM

RACK AND PINION ACTUATORS

VT032-VT400

Electric Actuators

ON/OFF ELECTRIC ACTUATORS & MODULATING ELECTRIC ACTUATORS

VTM1S-VTM3S
35NM-500NM

VTM0S-VTM3S
20NM-500NM

VTM2-VTM5+G
100NM-5,000NM

VTM2-VTM5+G
100NM-5,000NM

LINEAR ACTUATORS

VTSL-120-800:
Double acting: 260,000 N
Spring return: 130,000 N

INTELLIGENT ELECTRIC ACTUATORS

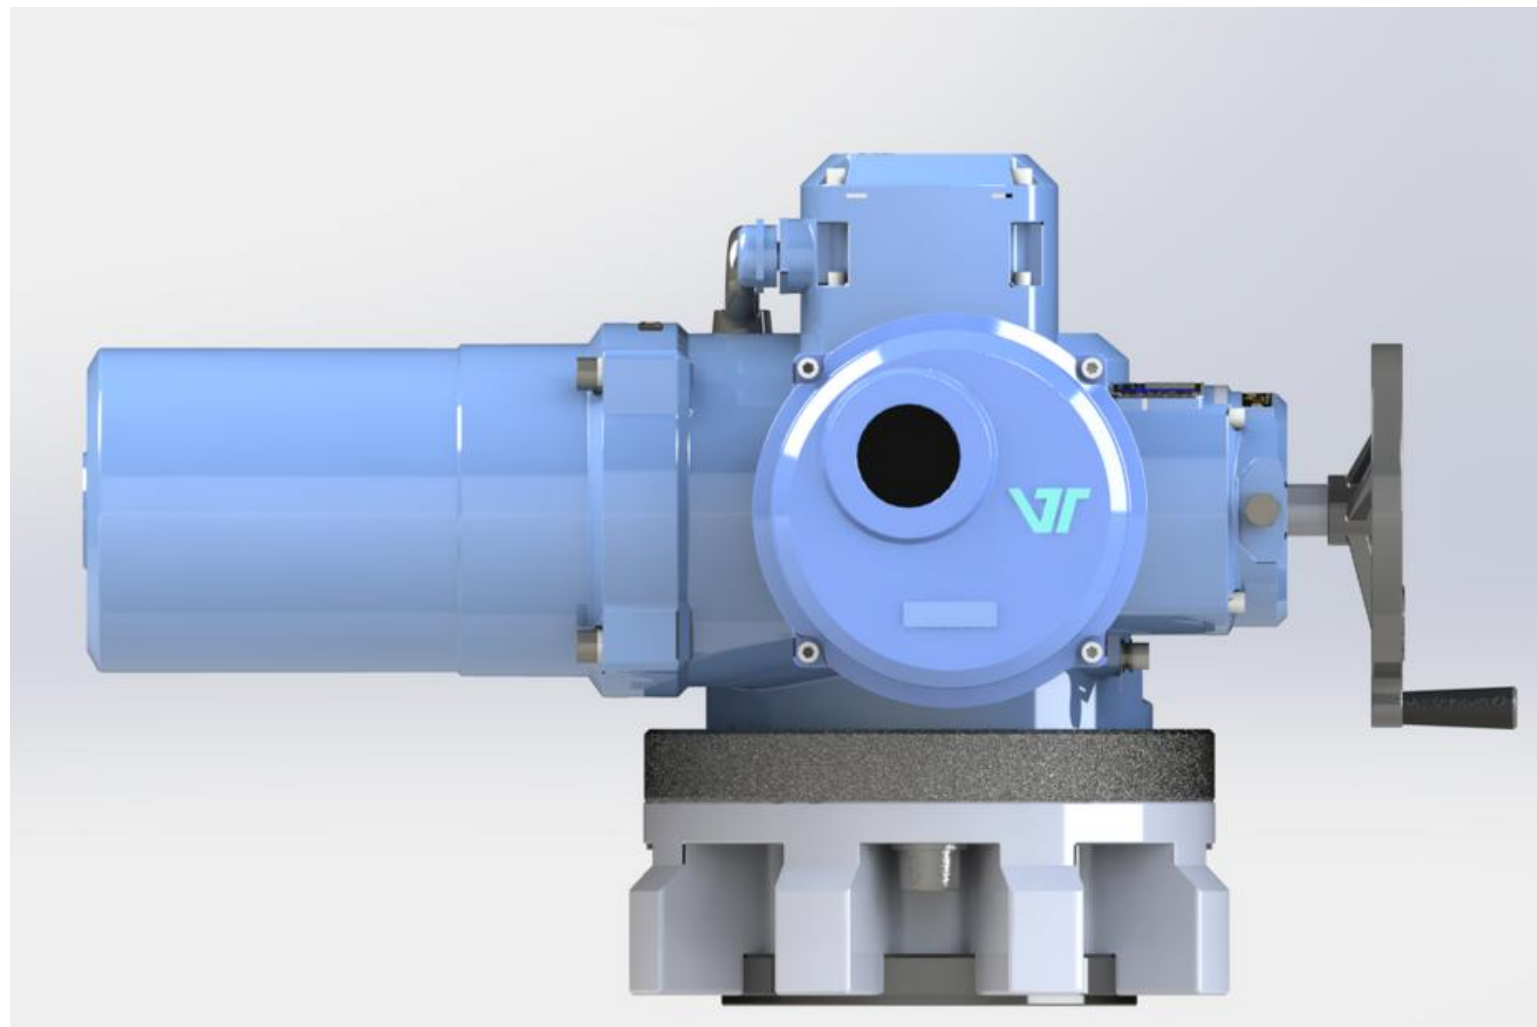

VTM1S-VTM3S
35NM-500NM

VTM2-VTM5+G
100NM-5,000NM

Electric Actuators

MULTI-TURN ELECTRIC ACTUATORS

VTMZ Series:

VTMZ10-VTMZ350
100NM-3,500NM

Actuator Accessories

Limit Switches

Positioners

Gearboxes

Solenoid Valves

Filter Regulators

Mounting Kits

Integrated processing

Patented piston design

One-million-time service life

Anti-corrosion

Customized service

VT SERIES

Modular design

-60°C optional

Inner rod design

VTS SERIES

Customized 600,000NM optional

10-year experience in the oil and gas industry

High frequency

Long service life

High torque

Low cost

Replaceable spring design

VTY SERIES

Eccentric planetary gear design

Double gear design

No clutch design

1% adjustment accuracy

VTM SERIES

Quick opening

New envelope flange

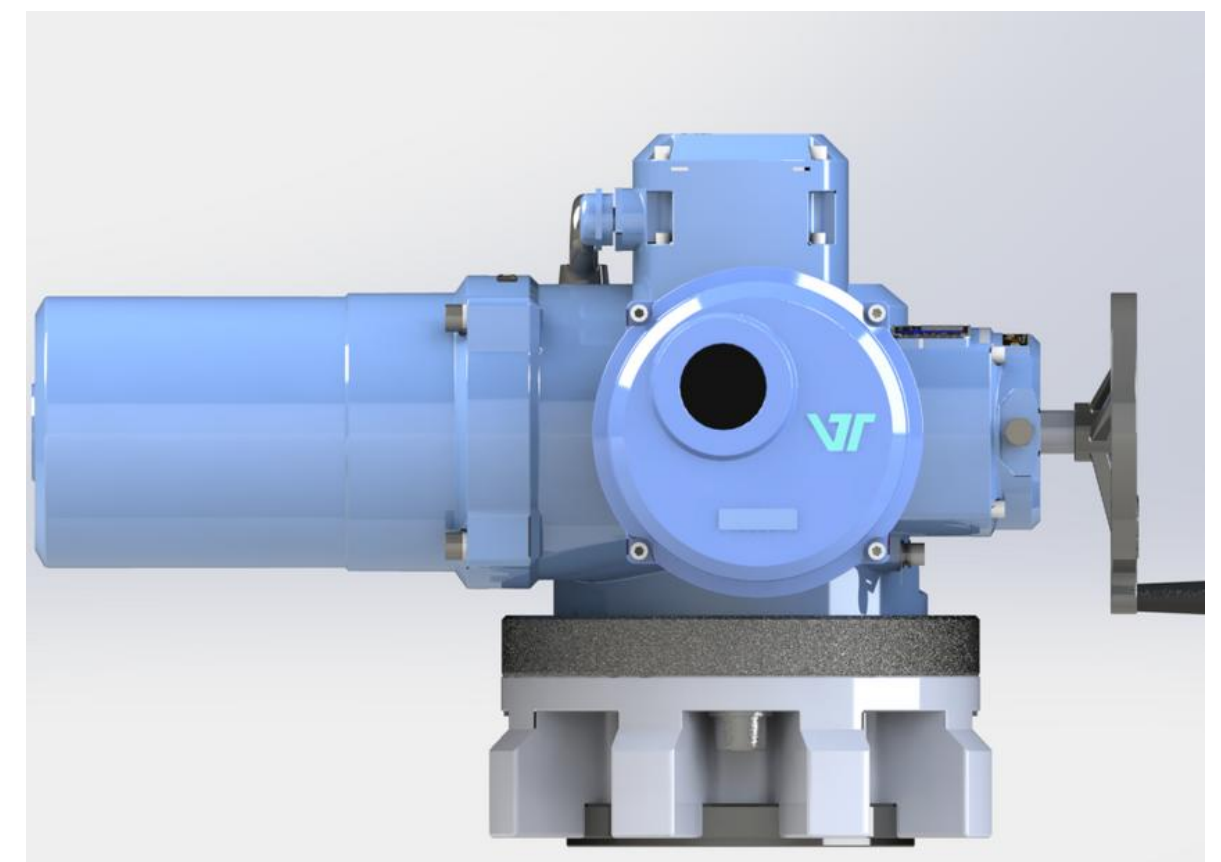

LED/LCD screen optional

Speed-up planetary manual optional

Sunflower terminal block

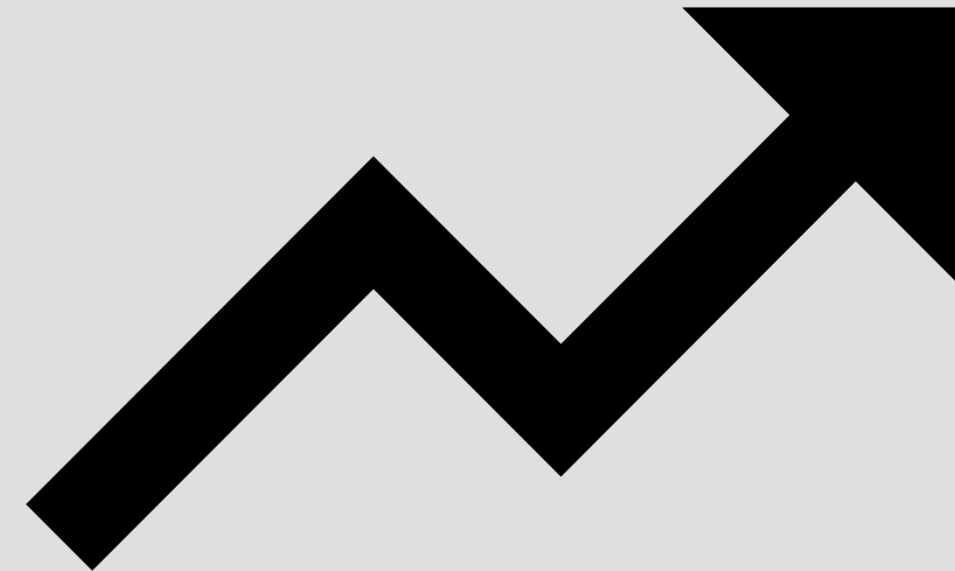

Anti-corrosion

VTMZ SERIES

Selling Network

Until now Vtork has served more than 45 countries: USA, Canada, Cheli, Brazil, Peru, Australia, New Zealand, Russia, Malaysia, India, Thailand, Vietnam, Indonesia, UAE, Germany, UK, Italy, Spain, South Africa.

Certificates

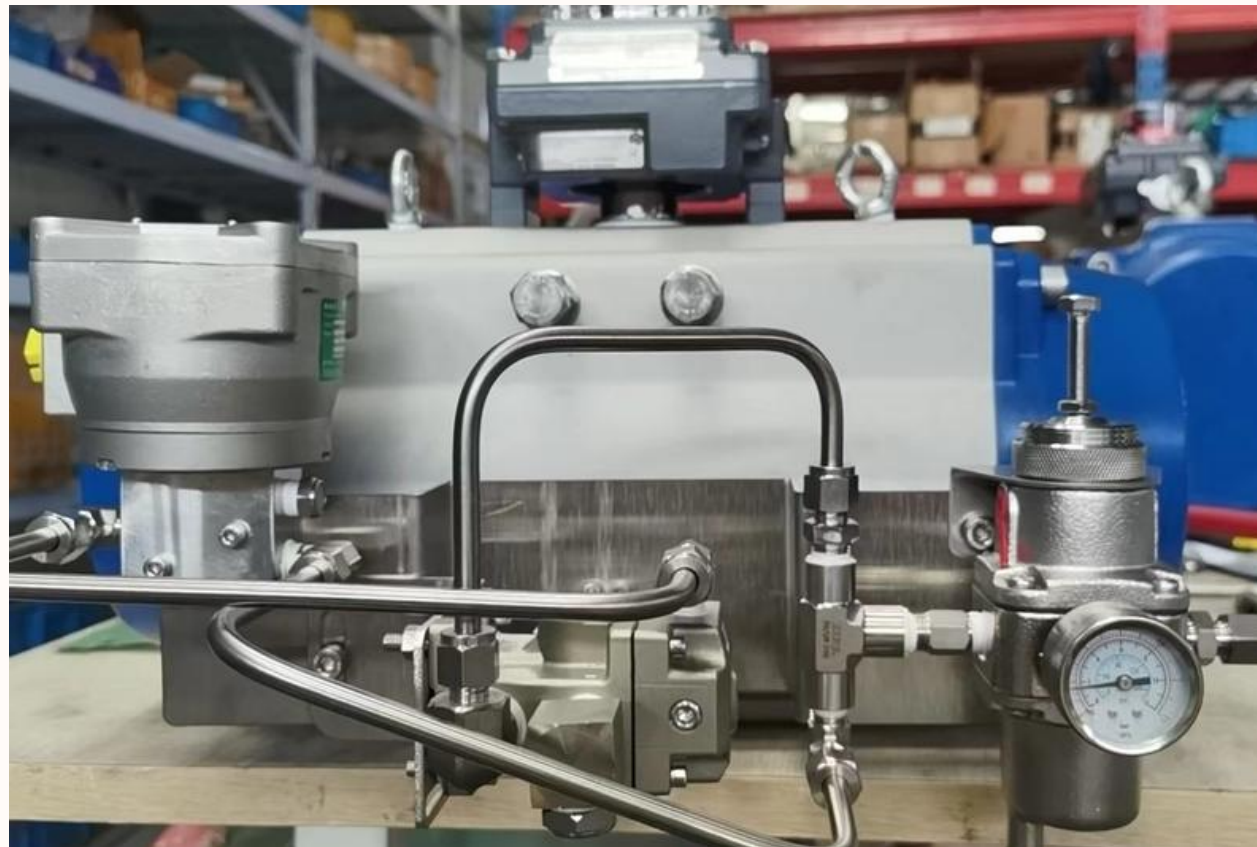

30,000,000 USD

By the end of 2022, the output value of three factories had reached 30 million dollars.

Project-USA/Mexico: Gulf Natural Gas

Project-U.A.E: ADNOC Oil

Project-Denmark: Marine

Project-Russia: ASU

THANK YOU!

TOGETHER
IS THE WAY
