PARTNERSHIPS

PROACTIVE SAFETY

“To be the leading safety company in the world, known for our innovative products, customer-centric care, and commitment to environmental sustainability.”

BUSINESS WITH SENSITIVITY

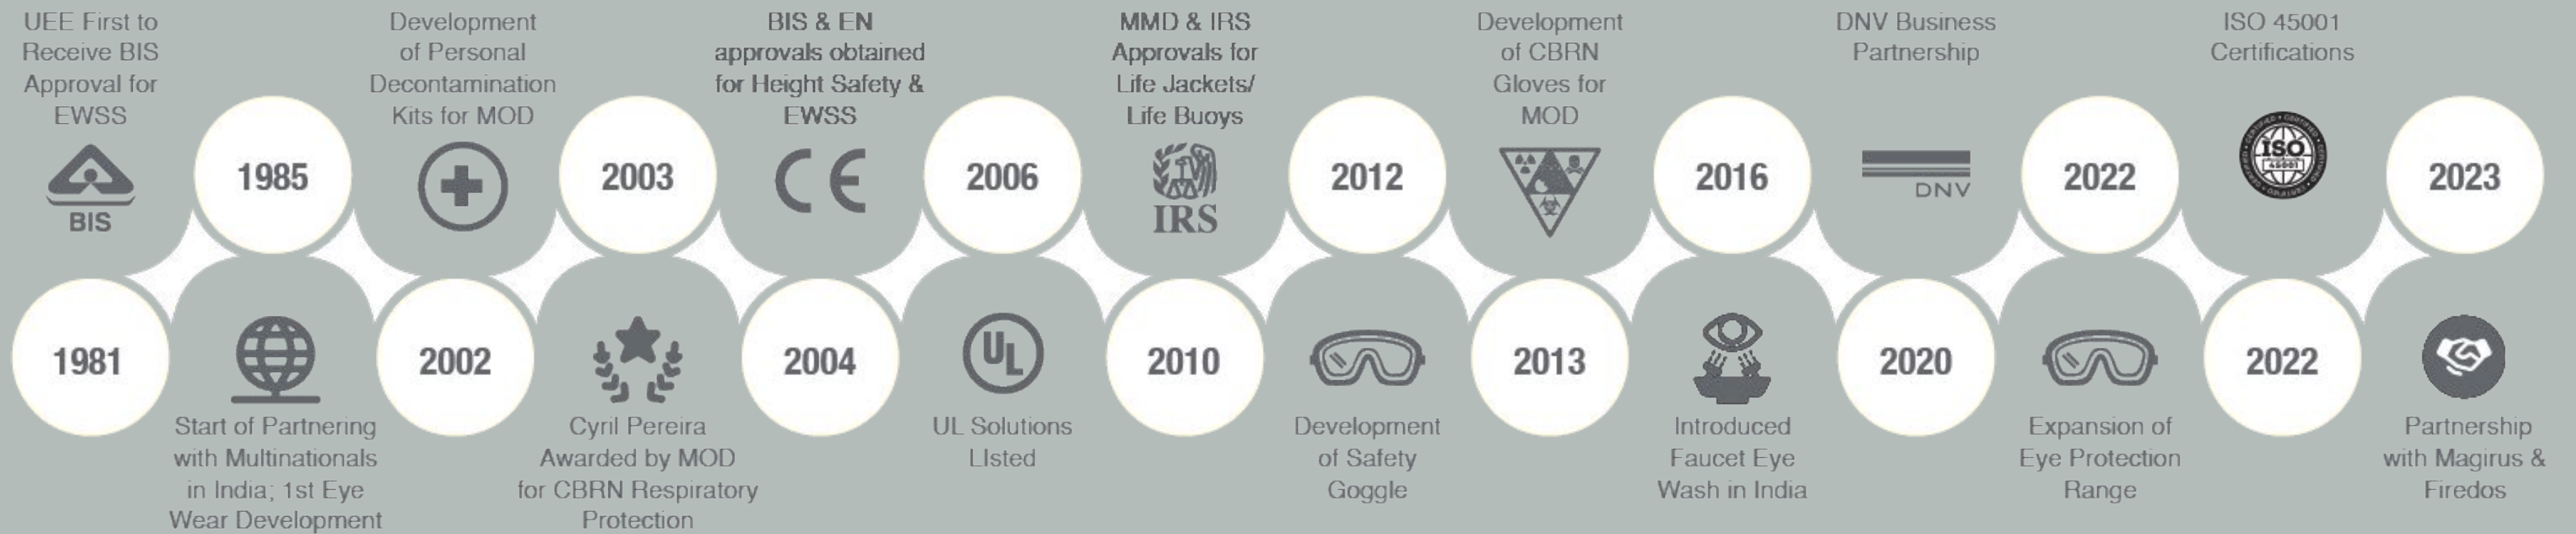

“To translate the company name into action by achieving universal leadership in safety through care, valuing for life, and providing value for money with the employment of ethical practices.”

DIRECTOR'S MESSAGE

" We are proud to be part of India's 'First Safety Family' and also to be a company of international repute manufacturing and distributing safety products conforming to stringent international standards. "

Over the last 44 years Unicare has built a diversified product portfolio to offer the best available safety options to the Indian market and thus has become synonymous to 'high quality and high reliability' in the safety segment.

CERTIFICATIONS

Unicare adopted Quality as a conscious business strategy and obtained ISO 9000 Quality compliance status in 2001. Unicare is the first Licensee of BIS (IS:10592) and one of the first ISO 9001:2008, 9001:2015 certified Indian safety product manufacturers. Our products are CE certified, UL Solutions listed, BIS certified, tested to ANSI and EN specifications, meets the requirements of Regulation (EU)2016/425 Module D and IRS certified to LSA code.
